Class(es) or Group(s) you will take on the preserve: First Grade Classroom (Rm 204)

Briefly describe the activity to be conducted on the BNP.

Kristin Napper and John Bennett will be taking Room 204 from Portage Path Elementary School to the BNP to observe the Bluebird Nest-Boxes. Additional observations will be made from the Nature Path. Cars will be parked in the public parking area.

How many students per visit do you anticipate? 16.

Where will the activities take place? At the Bluebird Nest-Boxes off of the Nature Trail

What are the anticipated dates of your visit? (we understand this may be determined by weather-but please estimate when you will use the BNP) Friday, May 21st, 2004 (9:00am-11:30am)

Will the activity involve any destructive sampling/collecting? Yes No

If so, please explain how the material will be collected (including equipment), and an estimate of how much material will be collected: _____

What is the potential impact of your activity on nature preserve?

To provide a "field scientist" experience for the first graders. We wanted to give them an opportunity to use binoculars, field guides, and field notebooks to record observations at the Bluebird Nest-boxes.

Have you looked over the web sites of the other research/activities being conducted at BNP?

Yes X No _____

Are there any potential conflicts of your activity with others at BNP? Yes _____ No X

Explain: _____

By requesting an education permit for work at the BNP, you must agree to the following terms:

- Educators are responsible for obtaining the appropriate state or federal permits for the conduct of their activity on the BNP (e.g., when working with regulated species).
- Educators are responsible for removing all markers, etc. from their research plots when the research is completed.
- Educators must review all research projects being conducted at BNP and must defer to them when there is a conflict (e.g. if you want to conduct an activity in an area that is closed because of a research project, we will ask that you find another area within BNP for your activity).
- These permits are good for one semester only.
- Educators will file a report of usage, listing information such as: # user days on the BNP, a summary of results of the project(s), a list of data generated and contact information for those interested in the data, and a list of publications or other products resulting from the project(s).
- Educators must abide by the rules and regulations of the BNP in any and all conduct of activities at the BNP.

By signing the request for a BNP education permit below, I agree to the above terms and state that all of the above information is correct to the best of my knowledge. I also agree to amend my above permit request if my activity plans change such that they are no longer well represented in the information supplied in this permit request. If I fail to notify the BNP oversight committee of significant changes in my research, or if I do not follow the rules of the BNP, I realize that the BNP oversight committee can revoke my research permit, and disallow any further work by me, research or otherwise, at the BNP.
