We're just trying to identify the fungi within the woods. Generally we'll take about a thumb-nail sized piece of fungus for identification.

Provide a brief description of (1) your proposed activities, (2) goals, and (3) impacts of your u...
Fungal identification. We'll be wandering around in the woods trying to identify the fungi.

By checking this box, I agree to the above terms and state that all of the above information is c...
