18 Acres

Garden Pond

Provide a brief description of (1) your proposed activities, (2) goals, and (3) impacts of your u...

I need to collect a set of aquatic macroinvertebrates for educational use in Professor Deborah Ammerman's Natural Science Biology Laboratory course. More specifically, the aquatic macroinvertebrates that are presently being used to educate the students are old and smashed up. A complete new set of organisms are needed.

By checking this box, I agree to the above terms and state that all of the above information is c...
