Please indicate any preparation or set-up you will need in the Martin Center for Field Studies an... Once or twice will need classroom space, projector, stream table, sand table

Please explain how the material will be collected (including equipment), and an estimate of how m...

Some very low intensity soil and stream creature sampling- very few specimens, most returned to their point of origin unharmed

Provide a brief description of (1) your proposed activities, (2) goals, and (3) impacts of your u...

We will be meeting occasionally at UAFS. Sometimes we will only be in the field, evaluating habitat (including wetlands, streams, ponds, forest, and grassland). Sometimes we will be using the main room for lectures. And sometimes we will be using the stream table and the sand table. We will coordinate our activities with others using the facility
