

Permit 2023-011

Name:

Shanon Donnelly

Department or Organization:

Dept of Geosciences

Email Address:

sd51@uakron.edu

Are you requesting renewal of a previously approved permit applicaton?

No

Type of activities at The University of Akron Field Station and Bath Nature Preserve

Education

Title of project or class name and course number:

Mapping with Drones course

Date/Dates requested:

Three Wednesdays in Fall 2023 semester depending on weather

Number of people in group:

20

I am requesting permission to use a Research Area.

Yes

I am requesting permission to use a Sensitive Area.

No

I am requesting permission to use areas outside of the designated Research or Sensitive Areas.

Yes

I would like to use the Martin Center for Field Studies and Environmental Education for this prop...

No

Will the activity involve destructive sampling/collecting?

No

Which Research Areas?

18 Acres

Garden Pond

Grandview Alley

Round Top

South Woods

Which areas outside of the designated Research or Sensitive Areas?

Public Access areas of Bath Nature Preserve

Provide a brief description of (1) your proposed activities, (2) goals, and (3) impacts of your u...

We would like to fly several drones over parts of the preserve as learning activities related to surveying, mapping, and environmental science. The goals of this data collection is hands-on student experience using drones to create mapping data. The impacts of the activity will be drones flying over the preserve on three days during the semester that will produce high resolution aerial imagery. This imagery is available to other researchers and the public upon request.

By checking this box, I agree to the above terms and state that all of the above information is c...
