Provide a brief description of (1) your proposed activities, (2) goals, and (3) impacts of your u...

1. Placing multiple ceramic reptile/amphibian tiles across the areas listed to find and collect data on the local snake and salamander species

2. To create an up to date and comprehensive list of species local to Bath Field station

3. The impacts to the wildlife in the nature preserve will be noninvasive and minimal. The benefit to the nature preserve is a better understanding of local species within.
